C.M.P.48959/2002

This is a petition to condone the delay of 24 days in filing the review petition. On merits it is seen that practically nothing survives at this distance of time.

2. In the judgment dated 07.08.2002, this Court had directed the arbitrator to consider all the contentions of the original petitioner and pass a reasoned order. Apparently, at this distance of time nothing survives. Therefore, the application for condonation of delay is dismissed. Consequently, the review petition is also dismissed.
